

Listen and learn | Replacing CDP community consultations

**We heard
from 2250+
people**

**We visited
100+
communities**

**We received
200+
surveys**

**We received
50+ Have
Your Say
submissions**

We heard the new program should:

**Be planned
and led by
community**

**Support more
local jobs for
local people**

**Include something
fair and meaningful
for the community or
for your job prospects
in return for income
support**

**Recognise
roles done in
community
including a new
approach for
youth**

**Have support
for people
who cannot
work right
now**

**Be flexible to
invest in local
priorities**
