Program

Have you been affected by ACBF/Youpla going broke?

Did you pay for a Youpla or ACBF funeral fund on or after 1 August 2015? If you did, you might be able to get a payment that could help with Sorry Business through the Youpla Support Program.

Most eligible people have got their payment now, **but there are still a few former Youpla/ACBF members we haven't spoken to yet.** If you think this could be you, call Services Australia on **1800 136 380** or visit your local Service Centre.

The Youpla Support Program is open until 30 June 2026.
To learn more, go to niaa.gov.au/youpla or call Services Australia on **1800 136 380**.
