

The Remote Australia Employment Service will replace the Community Development Program on 1 November 2025

What will change?

You might get a new provider, or you may have the same provider.

How will I know if I have a new provider?

Look out for posters in your community with details of your community's provider. Your provider will contact you to set up a meeting and develop a Job Plan with you.

What do I need to do?

You don't need to do anything. Your current CDP services will continue to support you and we will make sure there is a smooth transition between your services.

If you need to update your contact details, please do so via:

- Online via myGov – Sign in and go to 'My details' to update information.
- Express Plus Centrelink app – Update income, assets, and personal details using your phone.
- Centrelink phone self-service – Call 1800 805 260 and follow the prompts.
- First Nations peoples – call the Centrelink Indigenous Call Centre on 1800 136 380

For more information

If you have any questions, you can find out more about the RAES by scanning the QR code or visiting niaa.gov.au/remote-jobs/jobseekers
