Australian Government response to the
Human Rights (Joint, Senate) report:
Eleventh report of 2013: *Stronger Futures in the Northern Territory
Act 2012* and related legislation

APRIL 2026

OVERVIEW

On 15 June 2012, the National Congress of Australia's First People wrote to the Parliamentary Joint Committee on Human Rights requesting consideration of the *Stronger Futures* legislation for examination for compatibility with human rights as defined in the Human Rights (Parliamentary Scrutiny) Act 2011.

GOVERNMENT RESPONSE

The Government notes the report, which did not issue recommendations. Given the passage of time since this report was tabled, a substantive government response is no longer appropriate.

The *Stronger Futures in the Northern Territory Act 2012* (Cth) ceased on 17 July 2022, consistent with its legislative provisions.
