

CENTRAL AUSTRALIA PLAN

Backed by an investment, this work is supporting real change across communities.

HOW THIS WORK HAS GROWN

Since 2023, communities across Central Australia have been talking about what matters most and working together to make things better.

That's led to more happening on the ground - with real changes taking shape now and continuing into the future.

IN YOUR COMMUNITY

More places to gather,
play and connect

More programs happening
close to home

Programs supporting people
into work and training pathways

Opportunities to learn, train
and build skills

Support for families, young
people and communities

Australian Government

LOCAL IMPACT

Safer communities. Better futures.
