Hi Chansey,

s47F here, I hope you are travelling well.

On behalf of s47F – s47F, I would like to urgently request a meeting with you to discuss concerns that the Larrakia people have in regard to the ***Inappropriate and Unsustainable development of Middle Arm*** and the subsequent large scale impact this will have on our Larrakia Sacred Sites, Heritage/Environment and our traditional food sources.

As an Aboriginal man representing the seat of Gwoja, you surely must appreciate the devastating and desecration, that this type of a major project will have on Larrakia Sacred Sites/Heritage/Environment and our continuing physical and spiritual relationship to our Traditional Lands.

Please either send an email response or call me on s47F to advise of an appropriate date/time for a meeting.

Thanks
