

Organisation Name	Project Name	Community/Region	Brief Description of the Project
Atyenhege-Atherre Aboriginal Corporation	Santa Teresa Store precinct development	Santa Teresa community	The project will develop the Santa Teresa store including a caravan cafe (incorporated into the applicant's Merne Mwarre 'good food' programme), a shed to house new and second hand furniture and local art work, refurbishment of a toilet block for public use, and a playground.
Barkly Regional Council	Urapuntja Aged Care Vehicle for Outstation Meals Delivery	Utopia Homelands region	The project will purchase a vehicle that can be primarily used by the Urapuntja Aged Care Sector to ensure consistent delivery of services to the remote clients in outstations. Secondary usage will be transport for attending appointments and cultural excursions to country for aged care clients.
Central Land Council	Funeral and Ceremony support	CLC region of the NT	Funeral and ceremonial support to assist community members by way of funding the costs associated with traditional funerals and ceremonies that take place.
Gurindji Aboriginal Corporation	Purchase of Mobile Solar Light Towers to support evening sports and youth activities, and local enterprise	Kalkarindji and Daguragu communities	The project will purchase eight Mobile Solar Light Towers which will; 1. Support evening AFL, softball and youth activities at both Kalkarindji and Daguragu Ovals; 2. Support public safety at the annual Freedom Day Festivals, whilst eliminating a significant annual rental costs; 3. Support Gurindji construction and maintenance enterprise undertake night works.
Kakadu Billabong Safari Camp Pty Ltd	Kakadu Billabong Safari Camp	West Arnhem region	The proposal is to develop and expand the existing Kakadu Billabong Safari Camp business. The business has invested in an accommodation facility based around safari tent style camp in the area of their traditional lands in Kakadu National Park. The proposal would involve expanding the camp and building business capability. The consolidation plan incorporates purchasing assets such as troop carriers, camp kitchen equipment, a software system and IT equipment.
Kalano Community Association Inc	Childrens playgrounds for Rockhole, Myalli Brumby and Geyulgan Communities	Rockhole, Myalli Brumby and Geyulgan communities	This project will construct playgrounds in three member communities of the Kalano Community Association, to provide a safe environment for children to play and learn. The project would include the playground equipment as well as soft-fall matting and security fencing.
Ngaliwurru-Wuli Association	Brumby Plains Community Enhancement Project 2	Brumby Plains community	The project will construct an ablution block and large veranda/family area to the existing accommodation (previously constructed as Brumby Plains Community Enhancement Project 1). The works are needed to support the considerable number of people that reside at the premise.
Northern Land Council	NLC's Funeral and Ceremony Fund	NLC region of the NT	The project will provide financial assistance to Indigenous people living in remote Northern Territory to relieve financial hardship when people are grieving for a lost (deceased) family or clan members. The support does not replace personal responsibility of the individual, rather provides help to preserve and maintains traditional Aboriginal cultural practices and responsibilities in a kinship sense.
Rurrangala Bush Produce Pty Ltd	Funding for a water bottling factory at Rurrangala Homeland Community	Rurrangala community	The project will construct a building and pay for part of a water bottling factory to be located at Rurrangala in East Arnhem Land. Rurrangala Bush Produce (RBP) will maintain ownership of all means of production and lease these facilities at a commercial rate to the Arnhem Beverage Company (ABC).
Tijimbat (Teachabout, Inc.)	Tijimbat School Holidays programs - Jilkminggan	Jilkminggan community	The project will provide funding to facilitate community programmes in Jilkminggan in the 2018 January and July school holidays. The programmes will provide learning through cultural, vocational and academic based activities. Tijimbat provides paid work for community members engaged in the facilitation of activities for kids aged 15 and below.
Northern Territory Stolen Generations Aboriginal Corporation	The History of Northern Territory Stolen Generations which resulted from The Long Road Home conference in 1994.	Northern Territory	Develop a complete educational package on the history of the NT Stolen Generations and the reason and formation of the NT Stolen Generations Aboriginal Corporation. This was as a result of the conference in 1994 called The Long Road Home.
Pulikutarra Community Store Kintore	Nutritional Kitchen for Walungurru/Kintore Community	Walungurru/Kintore	The applicant proposes to create a nutritional hub at the store, to provide at least two healthy meals a day to increase and improve nutritional intake for community members. The project aims to create employment opportunities for the Kintore community where there is high unemployment.
Warlpiri Youth Development Aboriginal Corporation (WYDAC)	Construction of employee housing in Yuendumu	Yuendumu	Construct a duplex house (two x two bedrooms) in Yuendumu. The duplex will be for local and visiting employees to support a range of vital community services. The accommodation will benefit the delivery of social programs and including Indigenous employees who are involved in training at the Yuendumu Learning Centre.
Yapa-Kurlangu Ngurrara Aboriginal Corporation	Five Year Apprenticeship Master Plan	Yuendumu	Establish a sustainable in-house trade training facility aimed at supporting Warlpiri to progress to a lifetime of meaningful and well paid work. It will achieve this by supporting an Apprenticeship Master Plan linked to the operational direction of the Corporation.
Tiwi Land Council	Tiwi Funeral, Cultural, Language & Leadership Support	Tiwi Islands	This project will support Tiwi people in maintaining their cultural traditions, obligations and language as members of a traditional Tiwi society. Part of this support will include preservation of the important 'Pukamani' (funereal) ceremonial ritual. Over the next 3 years this will be delivered across 5 of the main communities on the Tiwi Islands; Wurrumiyanga, Pirlangimpi, Milikapiti, Ranku & Pickataramoor. Target groups will be all those wishing to take part in traditional Tiwi ways, the Tiwi elders who will act as mentors and the younger generation who will take part in formal cultural lessons.
