

Indigenous Girls' STEM Academy

\$25 Million Program Over 10 Years 2018 - 2028

Student Initiative

High School Component
delivered by

The CSIRO Academy program offers additional STEM opportunities and personalised support to Indigenous girls in Year 8 to Year 12.

Tertiary Component
delivered by

CareerTrackers™ 

In partnership with CSIRO, CareerTrackers offers services and mentoring support to young Indigenous female students in Year 12, as they move into tertiary studies so they can prepare themselves for a career in STEM.
