#### 4. **Strong Economy (Business)**

- An increase in the dollar value of fee-for-service arrangements.
- An increase in the number of ranger positions created.
- The number of ranger organisations (seeking fee-for-service opportunities) that have current Capability Statements and Strategic Plans in place.

#### 5. **Strong Culture**

- Indigenous ranger organisations (with Traditional Owners) control access to and use of local cultural data and knowledge.
- Indigenous knowledge, cultural authority and protocols are recognised, valued and respected in accountable research and partnerships.
- Indigenous rangers have an increasing role in the provision of cultural protection and management services.
